

# Find the Right People — Without the Guesswork.

**Elite Talent. Clear Pricing. Real Results.**

## Precision Search™ by ABGI Talent Solutions

**Hiring shouldn't be a gamble — but too often, it is.**

Precision Search™ is a retained, high-touch recruiting solution designed to deliver results across industries, functions, and leadership levels.

Built for organizations scaling, stabilizing, or transforming, it identifies and secures the talent needed to drive long-term performance — without the guesswork.

### With Precision Search™, You Get:

- **Confidence in Every Hire**

We don't just match résumés to roles — we align candidates with your business goals, values, and leadership style.

- **Time Back for What Matters**

We manage every step, so you stay focused on growth, not the hiring grind.

- **A Proven, Repeatable System**

From strategy to selection, we bring structure, rigor, and transparency to every search.

### Retained Recruiting with Real Deliverables

**We're not your in-house team — and we don't try to be.**

Precision Search™ is built for business-critical roles in any industry — from accounting and engineering to finance, operations, and C-suite leadership

**Whether you're** scaling, stabilizing, **or** strengthening **your workforce**, ABGi removes the guesswork from hiring and HR — and **delivers outcomes you can count on**.

## What Makes Precision Search Different™
